HELLO and welcome to the February edition of **DIGI-POST**, your monthly newsletter

As the weather is starting to improve a little, we are sure many of you are planning camps and trips for the summer. We hope that many of you will be joining us at SHINE County Camp in July. For those who aren't planning to bring girls we have plenty of ways to get involved with some staff roles still available and you don't need to come along for the whole week! If you are interested, please email us on shine@girlguidingderbyshire.org and we can talk through what will work best for you.

We are delighted to announce that we have appointed Alice Dawes and Charlie Bentley as Job Share County Coordinators for INSPIRE.

Initiatives

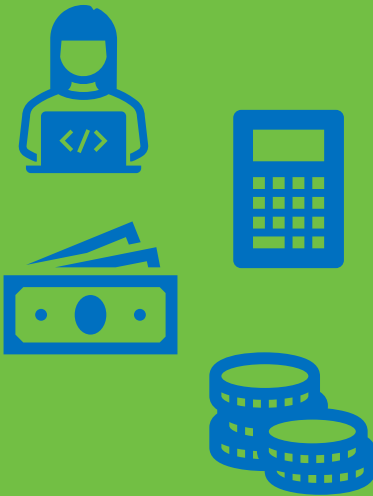

I'm a Derbyshire Influencer – Future Thinker 2023.

Focus week - 27th Feb to 3rd March

We all know that Girlguiding Derbyshire is made up from #futurethinkers who will have lots of great ideas to share, #thinkingbig and becoming #derbyshireinfluencers.

During the focus week we would love to share as much content as we can from the projects our young members are taking part in. All the details of how to do this are in the pack.

Other notices

Unit accounts 2022 will be due at the end of March 2023 and we know that for some that may feel daunting.

Are you wondering where to start?

Have you made a start and are struggling to make sense of them?

We are looking at running a zoom session for anyone who could do with some support or wants to ask any questions. If you feel like this would be beneficial, please email office@girlguidingderbyshire.org to let us know and we will be in touch with dates.

Commissioner zone

Commissioner Support Sessions:

The next Commissioner Support Session is on Tuesday 21st March 2023 and it will be via zoom. The theme of this session will be dealing with how to check Unit Accounts and Managing complaints and other concerns. We will look at what support is available and working through some examples together of how we might handle these situations.
