

Nights Away Badge

Introducing Girlguiding Derbyshire Nights Away Badge – open to all members from the newest Rainbow to our oldest Trefoil. You can celebrate going away with Guiding by gaining your Nights Away Badges. Girls can display them proudly on their uniform or sew them directly onto their camp blanket.

Sign me up!

1. Download your Nights Away record card from www.girlguidingderbyshire.org - click on 'Nights Away' on the menu and follow the link.
2. Record the official nights away you spend with Girlguiding, (you can count right back until you first joined Girlguiding).
3. When you reach each goal – 1, 5, 10, 20, 30, 50, 75 or an amazing 100 nights away, show your record card to your leader and you will be issued with the corresponding badge.
4. You can buy the badges you have already passed, just ask your Leader to do this for you – however they will cost £1 each.
5. Keep on recording your nights away, with the aim of maybe eventually gaining the full set!

Leaders – If you regularly take your girls for nights away, why not get them signed up now. All residential events count from a sleepover to a full week's camp, a night in a Youth Hostel to a canal boat holiday!
