HELLO and welcome to July edition of **DIGI-POST**, your monthly newsletter.

If you have any feedback please email accgrowth@girlguidingderbyshire.org.

*****THANK YOU*****

Jill Foxon has been a brilliant support for Girlguiding Derbyshire for many years across numerous roles including County Inclusion Adviser and as a Trainer. So as she gives up these roles to concentrate on running her units, mentoring new leaders and supporting the Derby Guide Shop, we wanted to say a massive thank you Jill for all you have done 🙌

*****NEW TO THE TEAM*****

We welcome Ilona Beer who has taken on the role of County Badge Secretary alongside Nic Molloy. Ilona is in the north of the county and is contactable via the Chesterfield Guide Shop.

We welcome Alison Plunkett who has taken over the role as Trefoil Chairman for Derbyshire from Liz Robertson. Thank you Liz for all that you have done to support us.

Ali Campbell will continue her role as County Inclusion Adviser providing a support and referral service for our members.

**We're taking a break from Digi-Post for August, see you again in September!
 Have a brilliant summer!**

SOCIAL ACTION WEEK - OCTOBER 2021

Girlguiding Derbyshire's social action week is coming this October! Units can consider how they can make a difference in their local community and do an activity related to it - be this learning about and supporting a local foodbank, adding carrier bag recycling into shops or writing letters to people in a care home.

The main focus week will be w/c 11th October, but it can be done anytime as part of the CC Team Challenge - therefore the all important badge will be available! More details and extra ideas will follow in the September Digi-Post, don't forget to add it in when programme planning!

CITYOPOLY - 4TH JULY 2021

We are so excited this event is almost here! All teams who have registered will have been sent an email with full information needed for the day. Any queries should be emailed to events@girlguidingderbyshire.org

Commissioner Zone

To help retain & strengthen our membership we have created a Growth and Retention strategy which we have shared with the Area Commissioners and the Area growth and social media reps. We'd like to support districts with a variety of growth and retention options to help us all to understand the priorities, can you please work through your waiting lists to move girls into units or give them a positive goodbye if they have not responded after a few attempts via different methods. This will ensure we have a true picture of the growth and retention needs of our county and know where to support your district with an off the shelf solution to suit your districts needs.

Safe Space - As we go into the summer, please do make sure that the units in your districts are aware that they need to have someone with a level 3 Safe Space qualification on any unit meeting, even virtual ones. Please have a look at Safe Space levels 1 & 2 compliance to ensure that no-one gets caught out with a sanction over the summer or as we start back in September. If you need some support please do ask your Area commissioner or drop a message in the WhatsApp group.

DBS Checks - Please always check the latest guidance on the website but note that at present even during Lockdown you can still do socially distanced ID checks if both parties are happy to do so. You can find the guidance here [CLICK HERE](#)
