Hello and welcome to the August edition of **DIGI-POST**, your monthly newsletter

We can hardly believe that the time has come to write our final newsletter. September 2018 feels like a lifetime ago, but the last 5 years have gone in a flash! Who would have thought that mastering Facebook Live and hosting a virtual Camp-over for more than 7,000 people would be amongst our proudest achievements. Not to mention finishing our commission in style with the brilliant SHINE county camp! We are so proud of **Team Derbyshire** and would like to say a massive **thank you** to all of the volunteers and young people in our county for your support over the last 5 years, you have been absolutely fantastic! We wish Angela and her team every success as they take over from 1st September.
