Welcome to our International Adventures special!

Many of you will know that we have a contingent from the County heading off to Mexico this summer.

The trip is being led by Zoe, Bev and Shannon and will see the leaders and 8 girls from all across the county volunteer at a zoo running children's conservation workshops before heading off to the turtle sanctuary to do some hands-on volunteering with their conservation project and (fingers crossed) a trip to Our Cabana.

But taking part in an international adventure brings so much more than the volunteering element, for many it's the start of lifelong friendships and a love of travel.

Last weekend and next weekend, two of the trips that went out to Our Chalet will hold their reunion weekends and no doubt there will be much talk about what other adventures they have in the pipeline, so watch this space!

International Opportunity - Roverway 2024!

Girlguiding Midlands are looking for 16 members aged 18-22 for next summer's event in Norway.

Start your adventure on one of the routes with your patrol - smaller camps with other patrols from different countries.

From your route, everyone heads on over to Stavanger, Norway to join a jamboree all together!

Camp with Guides and Scouts from around the world - Roverway is one of the most popular joint events, with approximately 5000 participants!

As part of the Girlguiding Roverway contingent, you'll get insurance, briefing weekends, and a clothing package (including your international necker!) included in your £995 event fee.
