

Meet the team

HELLO and welcome to the first edition of **DIGI-POST**, your monthly newsletter from Girlguiding Derbyshire, coming to you in Volunteers' Week! Following your feedback we have reviewed the way we communicate with you, our members. Going forward, this monthly newsletter will summarise all of the information you need from County, including trainings and events.
 If you have any feedback about the newsletter please email accgrowth@girlguidingderbyshire.org.

In each edition of the newsletter we will ask a different member of the county team to tell you about themselves and what they do. We hope this will help you to know who to contact in case you have a specific query.

Many of you will recognise our 3 beaming faces... pictured left to right are:
Izzy Clarke (Assistant County Commissioner - Programme) [Click to email](#)
Michelle Lewis (County Commissioner) [Click to email](#)
Jo Hems (Assistant County Commissioner - Growth & Retention) [Click to email](#)

We hope you find the newsletter useful and informative. Happy reading ☺

We understand our volunteers are experiencing the current situation in many different ways. So if you are currently not able to offer guiding to your unit, why not give your girls the opportunity to join our virtual units to help keep them engaged and involved in Girlguiding during this time. [Click here](#) for more information about the virtual units on the county website.

Please also direct your girls to the county website to find out how to join.

County Strategic Plan

In January 2020, we gathered our Area and District Commissioners together to ask them what they would like to see from County in the next few years. From this, we've created Girlguiding Derbyshire's Strategic Plan. If you'd like to find out more, see a copy of the strategic plan or get involved, please speak to your Area Commissioner.
