### **Updating qualifications on GO**

Most adventurous activities that Girlguiding members can participate in should be led by those with the appropriate skills and knowledge and often this is by holding the appropriate activity National Governing Body (NGB) qualification. This ranges from Archery to Water sports, all of which can be added to your GO membership record. It would be helpful in preparation for the year ahead if you could take a moment to add any NGB qualifications you have to your record. There are three simple steps that will help you get this done, please see attached.

**How to add National Governing Body Qualification to GO.**

The screenshot shows the 'GO Membership System' interface. On the left is a sidebar menu with options: My Profile, My Daughters, My Enquiries, My Roles, My Committees, My Events, My Safe Practice Summary, My Communication, My Achievements (highlighted), and My Mentees. The main content area is titled 'My Achievements' and 'QUALIFICATIONS, AWARDS AND COURSES'. It features a table with columns: Qualification Type, Status Reason, Started On, Completed On, Expires On, and Actions. A row is visible for 'RIB National Water Boat Level 2' with status 'New' and 'Started On' '1/1/2025'. A blue 'Add Qualification' button is located at the top right of the table. Three numbered steps are overlaid on the image: STEP 1: Log in to GO; STEP 2: Select 'My Achievements' (with an arrow pointing to the sidebar menu); STEP 3: Click 'Add Qualification' and add the details. (with an arrow pointing to the 'Add Qualification' button).
