Young Leader Qualification

We completely understand that COVID has made it harder for our young members to complete their YLQ before their 18th birthday. If a Young Leader needs more time to complete their YLQ they can use until 31 March 2021 to get it all completed. Once done, the leader/mentor/commissioner should drop an email to programme@girlguiding.org.uk with the YL's membership number and date completed. When they have all this information, they will update their GO record. It might take a little bit of time, but it should happen within 6 weeks of them receiving this email.

Safe Space Training

61 days LEFT! After 31st December 2020 if you have not completed the relevant Safe Space Training for your role your membership of Girlguiding will be withdrawn. You will not be allowed rejoin the organisation for 3 years (2024). Please check your Go record to ensure you have the correct levels. You can book on to one of the courses above or use the links opposite for the Online learning for Levels 1&2. **Note:** you will need to have an email address on your Go record so that your training can be recorded.

Safe Space Level 3 please check your emails with dates to book on to Webinars. If you have any queries, please **URGENTLY** contact your District Commissioner. Please do not leave it, book on as soon as you can as places are limited.

Christmas Campover - 11-13th December 2020

It's beginning to feel a lot like a Christmas Campover! We hope everyone is getting excited and starting to plan how we can all finish off 2020 with another amazing virtual residential event. It's open to absolutely everyone, so families and friends are welcome to take part. 'Sleep somewhere, not in your own bed and take part in a campover activity' but this time with added fairy lights and sparkle!!'

We'll provide an ideas booklet with inspiration for crafts and activities suitable for all sections, a timetable of events and the Christmas Challenge. Over the weekend of 11th to 13th December we will share the Christmas Challenges via Facebook and would love you to share how you have joined in with Christmas Campover too!

Join the live opening broadcast on Friday evening, a closing ceremony Sunday lunchtime and on Saturday Evening a Leaders Christmas fun session via Zoom - bring your own choice of drink and nibbles! [Click Here](#) (to book)

Safe Space Training

As a County we now have 337 people needing to completed Level 1 training and 265 needing to complete Level 2 and 15 people needing to completed Level 3 for their roles and a further 28 units with no level 3 safe space. We know that you have been working hard to support these volunteers and units but with just under 2 months left before compliance day we are very concerned we will lose these volunteers and have units that will be unable to meet. If you need help, please ask your Area Commissioner for support to get our volunteers through this online training.

Unit Accounts - Thanks to everyone who has been able to submit their accounts. If you know someone needs help, please get in touch with Jane & Anne by emailing finance@girlguidingderbyshire.org. The Charity Commission requires completion of accounts within 9 months of the year end.
