On the back of how well our Winter camp went in February, we are pleased to say that our autumn camp is now open for bookings! Friday 17th October for Rangers and Saturday 18th October for Guides. See page 3 for more information.

NEW WATER ADVISOR!!!

Hello, I'm James Stafford and I have supported Girlguiding in Long Eaton Central District as a Unit Helper, helping with residential experience and DofE. I have always loved the outdoors and had an interest in water activities, especially Sailing! Research shows that being active and by the water is great for people's mental health.

I am really excited to support adult volunteers ensure that all our members have opportunities to participate in water activities, from sailing to kayaking, canoeing, power boating, rowing, rafting and paddle-boarding! I am keen to make links between water activities and the programme, badges and awards, to highlight opportunities and adventures available across the county. It will also be great to help leaders develop skills to enable them to deliver even more water activities.

It is great to join the County Programme Team and I look forward to meeting you all.

Please check your Go contact details!

We have noticed that we are getting non-deliverables more often when contacting leaders. Over the summer, please check that the correct details are recorded on Go so we have the most current information. We'd also appreciate you spreading this request to other leaders as they may not see this message!

Inspire coordinator required.

This is a really interesting role for the 18-30 year age range. The aim is to expand the opportunities available to young women to develop and socialise, as well as to promote a more flexible model of volunteering. If this is something that you would like to lead on please contact Angela. This could be part of your Queens Guide award.

Giving girls a voice in Girlguiding Derbyshire. Is this for you?

Angela would like to establish a group of our young members who would help steer the county, giving feedback and ensuring that girls' voices are heard when events and activities are being planned.

In the first instance she would like someone to facilitate this initiative with her support. This could be a member who is looking for a Queens Guide project or anyone who sees the importance of having the girls' views taken into account.

This is very exciting as you would be beginning something new and have a blank canvas to start this new initiative.

If this is something that you would like to be involved with, please do contact Angela. Please do spread the word about this initiative and if you think of someone this might be of interest to please let them know.

Pax Hoh County Campsite – Could you help?

Exciting improvement works are planned at our Pax Hoh County Campsite, near Hulland Ward.

Some small improvements have taken place at Pax Hoh over the last few months e.g. the new permanently sited picnic tables, but....

The site is to be closed to users 1 – 17 September for a bigger project, during which the Pax Hoh Team is asking for some help.

The Project: Installation outdoor washing up sinks (with hot & cold water and shelter) on the south wall of the Toilet block, plus fitting of a new boiler, sited in the camp equipment storage room. This work will need some clearance and sorting of the camp equipment storage room.

Help Required: with the clearing, sorting and re-organising of the camp storage room. This will be on-going work during this period. Can you, (guiders, volunteer, young member – guides upwards) spare any time during this period to help with sorting and pitching tents and sorting other equipment so we can catalogue all our assets and only retain those in good condition.

Guide and Ranger Leaders do you want to bring your unit up for a day / weekend (free camping if you stay overnight) a chance to develop camp skills as part of the 'Green badge portfolios'. Note: Free camping, booking will be required, would NOT be available 7th– 11th September.

Individual adult volunteers can you be available anytime during this period to help out, there will be plenty to do other than tent sorting?

Guides & Rangers undertaking DofE, can helping at Pax Hoh be a 'service opportunity' for you (please discuss with your DofE Advisor)?

Contact Kath Clay (Pax Hoh Chair) phone / text 07767 331855 or e-mail paxhoh@girlguidingderbyshire.org or office@girlguidingderbyshire.org (with 'Pax Hoh Help' in your message title) with offers of help or requests of further information.
