HELLO and welcome to the September edition of **DIGI-POST**, your monthly newsletter
Changes to the County Office Team.

Last week we said a fond farewell to our County Finance Assistant, Anne Flemming as she begins her long awaited retirement. Anne joined the Office team in 2019 and said she would give us a 'couple of years', so we've been lucky to have her for a bit longer! Michelle, Izzy and Jane presented Anne with some flowers and a vase to say thank you for all she has done for us and as a footnote Anne will continue to support volunteers in her many voluntary roles as unit leader and treasurer.

We would like to welcome our new County Finance Assistant Carla Fox who joins the existing County office team of Leanne and Ann, working Monday, Wednesday and Friday's.

Carla is new to Guiding but is picking up how we work really quickly and if you need any support from her she can be contacted on accounts@girlguidingderbyshire.org

Peak Project Update

Earlier this year we asked for volunteers to form a team, jointly with Derbyshire Scouts, to look at the future of any joint events with them and most importantly the 'Peak camp'.

Izzy has led the team for us with Edwina Edwards, Emily Haywood and Hannah Wall. Gyles Wren leads from the scout side and they also have three other members in the team. We have now held three very successful meetings, with very interesting discussions and we are ready to move on to the next stage of the process, which is a consultation with all our members.

This will start with a survey for all our adult members, which will be circulated in the next few days. We will then be looking at the consultation with our young members, which will be in the form of an activity pack with a focus week in February – there's even going to be a badge!

We urge you to take part and encourage both parts of the consultation as we want everyone's voices to be heard.

If anyone has any queries, then please contact Izzy on

Our Chalet Takeover 2022

Many of you will have seen that last month Girlguiding Derbyshire ran three County trips to visit the Our Chalet World Centre in Switzerland.

The Guide trip, led by Rachel Bridge, Lucie Allen, Anna Wilson & Ruth Weir with a team of 14 guides, the Ranger trip, led by Vicky Powers, Sarah Parr, Charlotte Jackson & Charlie Bentley with a team of 11 rangers and the adult trip which was very small but nevertheless just as excited.

The trips travelled on different days and via different routes and modes of transport to give each trip a unique feel and often did different activities but all of them were pushed outside of their comfort zones, whether that was jumping off bridges or climbing up waterfalls, we are confident this will be an experience they will always remember.

The wonderful thing about taking part in a county international trip is that you make friends and memories with a group of people you wouldn't normally come across and it is that which makes these experiences so special. Friends, memories and stories of mild peril that will bond you forever! Congratulations to all those who took part on running fantastic trips and making those mountain top moments possible!

Going on a County international was a wonderful experience. Beforehand, I wasn't sure if I would gel with the rest of the leaders or the girls. But, we absolutely all got on really well, came together as a team and I actually miss the girls now! We had a brilliant time, I've made new friends for life and had some amazing experiences. (Leader)

Our Chalet Takeover 2022 allowed me to take on the challenge of providing Guides with a new opportunity and increase their love of Guiding. It has given me the opportunity to make new friends, see the girls grow in the time we were away, and create memories to last a life time! It's hard work at times, but I can't wait for the next international opportunity! (Leader)

I was a little bit nervous to go but I had an amazing time the best bit was the zip-line and our chalet was a lot of fun (Guide)

I felt quite nervous at the start as I didn't really know anyone, but everyone has been great. I've done things I never thought I would get the chance to do and made friends with people I would never have met. It's been brilliant! (Ranger)
