Other notices

Elyse is a forest engagement and environment assistant for the Woodland Trust at a site called the Young People's Forest in Heanor. She is interested in engaging with Derbyshire's Brownies and Guides group to do some work with them on site.

They are flexible regarding when you want to come and what you want to do but they have got some ideas: bushcraft, what 3 words trails, installing a nature trail on site, a what 3 words climate change course, den building, shelter building, fire lighting, health and safety, outdoors survival skills and they would be open to your ideas too.

Please contact Elyse directly if you are interested.
